

We decorate for Christmas.

Much of Willow Glen decorates -- some with arches, others with stars or trees.

**It brings tourists: tourists on bike, tourists in trolleys,  
and even tourist on hybrid vehicles.**

Pedal quickly -- you're crossing a busy street!

People even decorate their cars to come visit.

**The famous reindeer display spans half a city block.**

... and Glen Echo Ave. is famous for the hanging pendants.

Amazing, ...

and delightful!
